

NORTH BRIGHTON CLUB

"Snooker, Billiards, Friendship"

ABN 44 870 849 458

14 WARLEIGH GROVE, NORTH BRIGHTON, 3186
northbrightonclub.secretary@gmail.com

July 6th, 2020

The North Brighton Club are currently renovating our snooker room with building works underway to meet structural engineering recommendations to strengthen the floor. Steel beams have been installed in the floor to support the weight of each snooker table; all table legs will be centred on the steel beams. The quadrant of beam segments also consolidates the overall balance and structural stability of the floor. The renovations commenced mid-June and we are confident of reopening by the 27th of July 2020.

Due to the generous donation of a snooker table by a valued club member, a 4th table will be installed extending the facilities for our members. Over the next few weeks all four tables will be reassembled, and reclothed, with some cushions and pockets renewed.

New commercial carpet tiles will be laid and Peradon panel lights will be installed providing optimum table lighting that will open up vision across the snooker room.

New light meters and a new video doorbell system, improving entry security, have also been installed. In addition, a number of other initiatives are currently being implemented for the benefit of our members.

North Brighton Club was established in 1911, relocated from Nepean Highway to Bay Street Brighton in 1977 and then to our current location in Warleigh Grove (that had been previously home to a number of Friendly Societies during last century) in 1979. We recently redeveloped our traditional club shield that associates with the history of the club and historical North Brighton Club support to local community initiatives.

The current investments will consolidate the North Brighton Club as a Premier venue, offer excellent facilities for our members, support our community and focus on *Snooker, Billiards and Friendship*.

Errol Aristodemou
North Brighton Club Vice-President
