

## Inserting the team "Bye" to the VBSA scoring database

### Preparing and entering a Bye

The scoring system relies on the fact that there are 6, 8 or 10 teams in any grade. If there is an odd number of teams in any grade then the team "Bye" needs to be entered.

To enter a Bye team (for the purposes of this exercise we are going to enter a bye in S1 in APS)

Login > Scoring > select the season S1 and go to

**Scores, Administrators have access to all views, please do not edit or insert scores without contacting the Score Registrar**

- Qualified players S1** View all qualified players, Billiards and Snooker, in this season and edit
- Qualified players for finals S1** View all players qualified for finals, Billiards and Snooker, in this season and edit
- Adjust rounds S1** View Edit, insert ladder adjustments with explanations, (for use when a team forfeits or there is an adjustment required by the brows)

**Recalculate the scores and the rankings tables, must be done on completion of inputting scores**

- Calculate tables** Runs a complete calculation on scores, teams and rankings, members tables where associated with the scoring system

**Teams & Fixturing**

- view all teams - S1 Season only** View insert and update team entries (updates the public view page on the website as well)
- Team fixtures** View and edit Team Grade structure for season S1, upload fixtures
- Fixturing** EXPERIMENTAL DO NOT USE - Set fixture dates, create fixtures

**Breaks - Last 50 recorded**

- Breaks - Snooker S1**
- Breaks - Billiards S1**
