

Report on the "A" Grade Billiards Grand Final:

Brunswick Black 6 (2024) def. Brunswick White 6 (1760) in front of a crowd of nearly 50 people. Ron Cole represented the VBSA extremely well, and the standard of Billiards was superb.

The first round was a magnificent Billiards contest - both Peter Hawkes and Charlie Chafe were over a 100 behind, but fought back to lose by 32 and 18 respectively to Andrew Hicks and Charlie Lowe, White's great mainstays. John McKay was Black's only winner in that round but won by over 60. Consequently, Black trailed 2-4, but lead by 11 points at half-way!

In the second round Brian Moulday played very well for Brunswick White, and gave them their greatest chance winning by 158. But Steve Mifsud won by nearly 300, and Joe Bonnici triumphed by over a 100, to give Brunswick Black the Title by 264 points! Steve recorded 164 and 121, while Andrew Hicks had 105 and 94. Charles Lowe also had an 84.

Every spectator stayed 'til the end and thoroughly enjoyed their night's entertainment. Thanks to Alan Symonds for another great Refereeing performance, and to Henry Chetcuti who replaced George Hoy at the last minute.

The Brunswick Club provided a great atmosphere for the "A" Grade Final, and the supper was very well provided.
