

## IMPORTANT MESSAGE FROM THE RSL VICTORIA BILLIARDS & SNOOKER ASSOCIATION

Dear member,

Victoria's current COVID-19 "Roadmap" mandates that participants in indoor community sports must be fully vaccinated (see "*Physical recreation & community sport*" and "*Entertainment and Leisure*" – Phase C) when scheduled activities recommence.

The full "Roadmap" summaries and associated modelling is available via the following link:

<https://www.premier.vic.gov.au/victorias-roadmap-delivering-national-plan>.

It is expected that venue management teams will be required to examine vaccination passports to ensure only fully vaccinated persons are admitted. Nevertheless, it is reasonable to expect that situations will occur where some entry points may be unsupervised and/or evidence is not properly checked.

This Association's **COVID-19 Safety Co-ordinator** [John van Zanden, *Honorary Vice President*] has been assigned the task of gathering relevant details.

**In order that we can properly plan resumption of our activities in due course, we seek your urgent assistance.**

In the best interests of the safety of all our Association members, the Executive proposes to compile a simple membership record of who is, and who is not, fully vaccinated per the National COVID-19 Vaccination Program.

Information concerning COVID-19 vaccination status will be collected and used solely to record a YES/NO vaccination status for that individual for registration purposes within this Association. It is proposed also to clearly identify, on our published results, the vaccination status of each participant so that members may be suitably informed about fellow competitors.

Physical evidence [for example, screenshot or image attachment] provided by a participant, once recorded for registration purposes, will be deleted or destroyed.

**Please choose and utilise ONE of the following options** to provide evidence of your COVID-19 vaccination status **no later than 31 October 2021**:

1. Send a screenshot of digital passport via email to [rslnookerbilliards@gmail.com](mailto:rslnookerbilliards@gmail.com) **OR**
2. Send a screenshot of digital passport via SMS to John van Zanden [0412120402] **OR**
3. Contact John van Zanden [0412 120 402] to make other arrangements.

Members failing to provide suitable evidence of full vaccination will not be permitted to attend or compete in the Association's activities.

Questions? Please contact the COVID-19 Safety Co-ordinator on 0412 120 402 without delay.

Paul Black  
Honorary President  
[by direction of the Executive Committee]
