## Timed Games To avoid late Finishes in all grades.

### From the By Laws

#### 7. Matches

Player positions in teams are numbered in order. It is strongly recommended that team captains place their team in order of ability. Except for A Grade All matches in all grades are timed. Snooker matches shall be of 90 minutes duration (100 minutes for Snooker Finals' matches) and Billiards matches shall be of 80 minutes duration. Snooker matches shall comprise 3 frames with 1 point available to the winner. Billiards matches will be timed to 80 minutes with 2 points available to the winner per game (in the event of a tied game, 1 point each player). The winning team on points will receive 4 match points, the losing team 0, with 2 match points each for a draw. Frames/games for and against will decide percentage. All first round matches must begin at 7:30 pm, and all second round matches must begin no later than 9:10 pm. The clock/timer must be clearly visible to all players and referees.

For Snooker matches (90 minutes):

- a. One countdown timer to be set for 90 minutes.
- b. All first round matches must commence together and no later than 7:30 pm\*.
- c. If any first round matches finish ahead of time, second round matches may commence on those tables instead of waiting until all first round matches are finished.
- d. All second round matches to start no later than 9:10 pm. The countdown timer should be started when the last match has commenced.
- e. Except for A Grade The Colours Plus 10-Points rule applies in all matches. When the last red is potted, if either player is ahead or behind by the total value of the colours left plus an additional 10 points, the frame is awarded to the player ahead. (Eg. with only Brown to Black remaining – 22 points – if either player is ahead or behind by 32 points or more, the frame is over.)

At the completion of 90 minutes:

- f. If any frame is in progress, the player that is in front is the winner. If it is a Black-ball frame, the frame will be played to completion.
- g. If the scores are tied, the frame will be decided by a re-spotted Black.
- h. Any frame that has not been started will be decided by a re-spotted Black.
- i. If the cue-ball is struck prior to the bell ringing, then any score, fair or foul will count. (Referees are urged to be very diligent when it is close to time.)

\* In those situations where the first round does not begin precisely at 7:30 pm, a commonsense approach will still allow 90 minutes for each round. However, captains should endeavour to begin on time unless there are extenuating circumstances.

#### In Finals

- A countdown timer for each table to be set for 90 minutes.
- All first round matches to start no later than 7.30pm
- All second round matches to start no later than 9.10pm.
- If first round players have completed their matches prior to the completion of the time limit then the Number 1 players will go on to the first available table and play 4 frames.
- Second round matches should start as soon as a table is available.
- 10 point rule will still apply in B,C & D Grades only
- Snooker Finals will be decided when:
  - 4 Player team – the first team to reach 7 frames
  - 6 player team – the first team to reach 10 frames.
- At 10.40 (the completion of the second round) all matches will be decided. If the frame score is tied and the number 1 players have started the 4<sup>th</sup> frame it will be completed to decide the result. If the frame score is tied and the number 1 players have not started their 4<sup>th</sup> frame, this frame should start immediately
- Billiard Finals – all matches will be 80 minutes, and will be decided on games won (in the event of a tie, total points will decide)
