Billiards Tournament Playing Conditions

1. The Championships will be conducted under Australian Billiards and Snooker Council Playing Conditions, and all matters pertaining to Players' Code of Conduct will be adhered to.
2. For events where online entry or payment on the day is permitted, players are deemed to have accepted the conditions on the entry form when they submit their entry fee.
3. Open: Format of the tournament is a round-robin draw, the top 2 players from each group (at a minimum) will qualify for the knockout stage. The draw will be at the discretion of the organizing committee and no debate will be entered into. The length of round robin matches will be best of 5, 150-up. The baulk-line crossing rule will be used. If you do not understand the rule, ask the TD or a referee well before the match.
4. National: Format of the tournament is a round-robin draw, the top 2 players from each group (at a minimum) will qualify for the knockout stage. The draw will be at the discretion of the organizing committee and no debate will be entered into. The length of round robin matches will depend on the number of entries, but they will not be shorter than 90 minutes or longer than 2 hours. The baulk-line crossing rule will not be used.
5. Championship Dress Code is required: Long sleeve predominately plain coloured shirts buttoned at the wrist and collar, bow ties and dark colour dress pants and shoes must be worn for all games. Waistcoat is required from the quarter-final stage onwards. Failure to comply with these conditions will result in forfeiture of the game. The tournament director may vary this dress code in extreme circumstances.
6. All players will be scheduled to referee at least half of a round robin match, and this will be shown on the draw. Those prepared to referee matches in the knock-out stage, if eliminated from the draw, should advise the tournament director.
7. All players are to be ready to play at least 10 minutes before the scheduled start of their match. The following rule applies to a player or players not ready to commence their match on time. At the scheduled start time a player not present will forfeit one game (Open) or 100 points (National). After 15 minutes the player will forfeit the match. The tournament director may vary this rule in exceptional circumstances beyond a player's control. Open round-robin walkovers will be awarded a 3-0 score. National round-robin walkovers will be awarded a match win with the players average points for and against used as the score.
8. Seeding into knock-out stage from the round robin will be calculated based on the following: firstly (a) group position, secondly (b) average differential of games won against games lost (Open) or points for and points against (National). Where players are tied on (a) and (b) a random draw will be conducted. The AB-SC/WBL process for seeding into the knockout stage will apply, where second in each group goes into the opposite half of the draw to the group winner (if possible).
9. Losing quarter-finalists and semi-finalists MUST attend the presentation after the final. Failure to do so will result in a \$150 penalty from the prize winnings, to go towards next year's event. This is a requirement from the sponsors. If this causes a player hardship, they will need to apply to the tournament director for a waiver.
10. The Entry Form constitutes part of the Conditions of Entry.
11. The Tournament Director has absolute discretion to vary these conditions when circumstances dictate and
