Subject: Billiards

Hi all SBSA & MSBA billiard players. Round 10 on Oct 8 is being cancelled. With the World Championships on there are some teams that have a few players unavailable next week. As such the round is being called off for now and if it is to be played at a later date you will be advised in the next few weeks. The draw remains the same otherwise with round 11 to be played as per the fixture on Oct 15. Any queries let me know. Regards Steve Harper.
