Timed Games To Combat Late Finishes in all grades.

Applies to Snooker Matches only

Matches to be of 90 minutes duration.

- One countdown timer to be set for 90 minutes.
- All matches to start and finish at the same time.
- All first round matches to start no later than 7.30pm
- All second round matches to start no later than 9.15pm.
- If **all** first round players have completed their matches prior to the completion of 90 minutes then the second round may be started earlier.
- 10 point rule will apply in B,C & D Grades

In those situations where the first round does not begin precisely at 7.30 pm, a commonsense approach will still allow 90 minutes for each round. However, captains should endeavour to begin on time unless there are extenuating circumstances. Please read the Bylaws as penalties may apply for late starts.

At the completion of 90 minutes

- Any frame that is in progress, the player that is in front will be declared the winner.
- If the scores are tied then the frame will be decided by playing a re-spotted black, if the players are on the black the frame will be completed.
- Any frame that has not been started will be decided by playing a re-spotted black.
- As in timed billiard matches – if the cue ball has been struck prior to the bell ringing, then any score, fair or foul will count. (referees are urged to be very diligent when it is close to time)

Players should be aware of the location of the timer. It should be clearly audible to all referees. Captains or teammates can inform players of how much time is left on the clock. There will be no breaks during the course of the 90 minutes. Players are expected to play at a reasonable pace, slow play or time wasting will not be tolerated. NO smoke breaks are permitted.

In Finals

- A countdown timer for each table to be set for 90 minutes.
- All first round matches to start no later than 7.30pm
- All second round matches to start no later than 9.10pm.
- If first round players have completed their matches prior to the completion of the time limit then the Number 1 players will go on to the first available table and play 4 frames.
- Second round matches should start as soon as a table is available.
- 10 point rule will still apply in B,C & D Grades only
- Finals will be decided when:
 - 4 Player team – the first team to reach 7 frames
 - 6 player team – the first team to reach 10 frames.
- At 10.40 (the completion of the second round) all matches will be decided. If the frame score is tied and the number 1 players have started the 4th frame it will be completed to decide the result.

If the frame score is tied and the number 1 players have not started their 4th frame, this frame should start immediately
