Attention : ALL MEMBERS

In line with a strategy mentioned at our 2014 AGM, details having been continually published on our webpage since then, Executive Committee members have been undertaking checks during the past week to check whether each member of each team is, in fact, a current financial member of either the RSL or an affiliated Club (Cheltenham or South Oakleigh Clubs) whilst representing their Club in our competition this season.

Delegates will recall that each Club submitted a registration form that contained a signed statement to "verify that each nominated player is a current financial member of this club".

The Executive Committee was dismayed to learn that EIGHT players across several clubs have been identified as not satisfying this criterion.

Relevant checks are now complete. All penalties have been applied.

The Executive Committee has determined, under Rule 25.1, that **each team containing an identified unfinancial player shall be penalised SIX points for each player so identified within that team**. Affected teams are clearly identified on the published results for Rounds 11 and 12.

Club Delegates of affected teams are aware of the individuals concerned. **Respective delegates are required to sight evidence of current membership of their identified players before they again represent the Club.**
