## SNOOKER RANKING POINTS

Ranking points for snooker are earned in the following ways and form the basis of the VBSA official snooker ranking list.

### 1. WEEKLY COMPETITION

#### Premier Grades

A Premier / Willis	= 80 points per frame won	A State = 70 points per frame won
B Premier / Willis	= 60 points per frame won	B State = 50 points per frame won
C Premier / Willis	= 40 points per frame won	C State = 30 points per frame won
D Premier / Willis	= 20 points per frame won	D State = 15 points per frame won

### 2. CALCULATION OF RANKING POINTS FOR WEEKLY COMPETITION

At any point in time, ranking points will be calculated over a 3 year period. Points will be calculated using the best total ranking points in any grade for both season 1 and 2. They will be awarded on the basis: 100% for the current year, 65% for the previous 12 months and 35% for the 12 months before that. As a player competes in any grade the ranking points will automatically adjust.

15% of Weekly ranking points will be included in the Tournament Rankings (see section 3 below).

Note: Ranking points are only available for home and away matches. There are no ranking points available in any finals matches.
