# New Reporting, “Local Rules” and Reminders

## **New Reporting of Results – Changes:**

In recognising the strong take up and convenience of smart phones, your committee requests an email with the results at the end of the evening of play.

The results of individual matches will accompany the “mid-week” ladder each week.

## **Team Captain Responsibilities – Reporting of Results:**

At least one of your team will need a smart phone and a working email address with that phone.

Complete, agree and sign each scoresheet ***and retain a copy*** (this to be used should a dispute arise or a ruling be sought from the Committee).

**\*\*\*NEW\*\*\* Forward (preferably by email only) a clear, “low resolution” photo of the completed scoreboard or either scoresheet to the Score registrar before departing the club. This will markedly shorten the turn around time for producing the weekly ladder!**

Only one member of either team needs to forward the result (on behalf of both teams).

## **“Local Rules”**

The “Foul and Miss Rule” is not used in the DVSA.

A genuine attempt must be made to get out of a Snooker.

Tuesday Evening players can play Monday Evening in an emergency situation – twice per season.

All Monday and Tuesday competition handicaps will be capped at +25 and -40 points.

All players will start the season on their last handicap reading of last season.

Handicaps are suspended for the last two rounds of the season.

In the finals, if a game goes to the ninth frame the # 1 or # 2 player on the night will play that frame.

Registration : \$40 per team, \$10 per player.

Any team unfinancial after the registration cut off point, will be ineligible to play in the finals series.

Any fees not paid by the due date, each team from that club will lose one premiership point per week until fees are paid.

## **“Reminders”**

Teams playing at West Heidelberg, games start at 7.00pm.

Teams playing at Greensborough, parking is tight. Allow extra travel time to find a parking spot.

All Players are asked to refrain from smoking during and between frames. it will quicken the night and also show respect to your opponent.

## **Tuesday Evening Comp, the blue ball rule.**

If the blue ball is potted and the score is 23 or more points the difference, it will be considered the frame is over. Pink and black balls are not counted in the total points.

If there is a break in progress the player is permitted to finish his break.

## **DVSA currently has room for New Players and New Teams!**

The DVSA , in affiliation with Host RSL Clubs, provides a friendly and competitive evening of snooker for those members (aged over 18 years) interested in cue sports. New players and teams are welcome, with handicaps fostering good match-ups (so your opponent is likely to be of a similar standard).

DVSA is a great way to improve your cueing skills (and better your handicap), meet other like minded people, enjoy a late night supper and refreshments and have a great night out. If a family member or friend you know of who is interested, please contact any of the Committee Members. We'll be glad to hear from you!
