14. Deciding Finals - All leagues

Tied teams shall be separated by the results of home and away matches between the tied teams. If still tied, the most number of 3-nil games in the home and away games shall be used. In snooker finals, the number one players are scheduled to play four frames instead of three. To avoid the possibility of a draw.

In billiards finals, game points shall decide a drawn game.

C Grade only – The 10 Point Rule will apply to all matches and finals.
