Attention: All Players

ORDER OF PLAY - FINALS

It has been reported that some matches during Finals Week 1 failed to observe the Association's Rule [on trial this year] about the selection for order of play.

Nevertheless, the Executive Committee has decided that the documented results will stand.

However, all players are reminded that the provisions of Rule 4.4 [see below] must be implemented during the remaining Finals matches:

For FINALS matches, immediately prior to the commencement of a match, each team captain shall record his players' details on a list then deliver the list to the host club's match organiser who shall conduct a random draw to determine playing positions for individual players. The match organiser shall record details of randomly drawn players on the match scoresheets in the order drawn for each team – i.e. 1st drawn = position 1; 2nd drawn = position 2, and so on.

Final 8 schedule is published in a separate file now available on the web page.
