APOLOGY TO DR MICHELLE 'SHELLY' AMES

On 22 December 2020, I, Stratos Yiannakakis, sent an email to members of the Cheltenham Billiards and Snooker Club and also a non-member.

The publications contained factual errors, were defamatory of Dr Ames and reflected adversely on her integrity and reputation.

I retract the allegations and statements I have made about Dr Ames.

I apologise for the hurt and distress caused to Dr Ames and for any damage to her reputation caused by the email.

A handwritten signature in black ink, appearing to read "Stratos Yiannakakis".

Stratos Yiannakakis
